1. On 30 June 1953, the RFT Main Administration announced that the enterprises previously controlled by the Ministry for Postal Services and Telecommunications were placed under the control of the Ministry for General Machine Building.

2. Since plans by the RFT Main Administration for the establishment of VEB Entwicklung (development) in Leipzig could not be executed because of adequate funds appropriated by the Ministry for General Machine Building in late June, the section of this central enterprise which already existed was renamed VEB RFT Zentral-Entwicklung Leipzig, at 17 - 19 Hain Strasse, Leipzig C 1, and its personnel was subordinated to the Leipzig radio plant. This enterprise which was scheduled to restrict its activity mainly to enterprises located in the Leipzig area, was still engaged in winding up the affairs of the former VVB RFT in Leipzig in early July 1953.
